

Sports Premium Impact Report 2021-22

Sports Premium is allocated to schools based on the number of pupils on roll in Years 1 to 6 recorded in the January Census.

Southgate School received two instalments: £6854 in October 2021 and £9666 in April 2022 to use across the academic year to make additional and sustained improvements to the quality of PE and sport on offer and to facilitate pupils being active during break times. An outline of our sports premium spending is in the table below: £16,520 total.

Cost:		Aims:	Impact:
£4,053.88	Staff time (Ben Walker) – 6 hours per week	<ul style="list-style-type: none"> - For pupils to access small group cycling tuition on site. - For pupils to access small group cycling sessions off-site, in the local community and on local roads where appropriate. - For pupils to increase confidence on a bike and show progression in their cycling skills. - For pupils to develop skills in general bike maintenance and bike safety. 	<p>In total, 134 pupils accessed cycling enrichment, compared to 131 in 2020-21.</p> <p>88 Pupils can now ride a 2 wheel bike compared to 83 in 2020-21.</p> <p>46 pupils learnt to ride either a 3 wheeler bike or a balance bike.</p> <p>20 pupils learnt to cycle on the local roads compared to 12 in 2020-21.</p> <p>30 pupils learnt to cycle on local trails compared to 18 in 2020-21.</p> <p>38 pupils were able to develop their bike maintenance skills compared to 36 in 2020-21.</p> <p>This year, 6 pupils also took part in Southgate School's first cycling expedition – a 3 day residential consisting of a number of road and trail routes.</p>
£1500	TLR – Healthy Lifestyles	<ul style="list-style-type: none"> - Allocated time for a teacher to further develop the school "Healthy Lifestyles" provision and curriculum. An example of duties in this role included regular audit of equipment, audit of teacher skill set and allocation of specific training as required. 	<p>During the last academic year, Marvin completed an audit of teacher skillset in order to identify particular areas of development. He was then able to allocate specific coaches to upskill staff as needed.</p> <p>From recent feedback from teachers, staff skillset and confidence has increased when delivering lessons.</p>

£4195.00	Membership of Pennine Sports Partnership Plus Pennine coaches (as required)	<ul style="list-style-type: none"> - To train new teachers to deliver quality PE that meets the needs of all pupils. - To upskill and build confidence of existing teachers in specific areas of development. - To provide an increasing range of enrichment opportunities for a wider range of pupils. These will be both accessible and engaging for all pupils. 	<p>Being part of Pennine Sports Partnership has allowed Teachers across school access to CPD and resources as well as the option of allocating coaches to deliver specific sessions (see below.) Teacher feedback has detailed they feel more confident in delivering P.E sessions that are both progressive and skills focussed.</p> <p>Enrichment opportunities have increased to 9 options across school in total. Across 2021-22, 5 classes accessed Enrichment sessions led by Sports coaches including Netball, Tennis and multi-skills. These were well received by pupils. Feedback from pupils stated they would like increased access to sports coaches focussing on Football and other team games. This will feed into our plan for spending in 2022-23.</p>
£3530.00	Elizabeth Gunson (Dance Teacher)	<ul style="list-style-type: none"> - To provide an increasing range of enrichment opportunities for a wider range of pupils. These will be both accessible and engaging for all pupils. 	<p>Enrichment opportunities have increased to 9 options across school in total. Across 2021-22, Dance was introduced as a new enrichment option for pupils and those that attended the sessions had specifically chosen the activity. This meant that pupil engagement was high. Pupil's fed back that they would like to build up to a performance for their class/whole school. This will be developed in the next academic year.</p>
£500	Transport - school minibus maintenance	<ul style="list-style-type: none"> - To provide transport to enable pupils to access planned activities provided by Outdoor Leaders as well as outdoor class trips. These trips provide the opportunity for pupils to be physically active. 	<p>In total 75 pupils accessed outdoor enrichment activities and expeditions last year compared to 55 in 2020-21 (an increase of 20 pupils.) This would not have been possible without the regular maintenance of the bus.</p>
£202.07	White lines	<ul style="list-style-type: none"> - To enable the on-going use of the sports courts in the main hall for a range of physical 	<p>As a result of the upkeep of sports courts, engaging P.E sessions continue to take place in the hall, focussing on</p>

		activities including discrete P.E lessons and movement sessions.	games such as Badminton, Basketball, Tennis and dodgeball. Daily movement sessions also benefit from the use of the lines to focus on gross motor skill development of all pupils.
£1,583.52	Sport, P.E and play resources including: <ul style="list-style-type: none"> - Portable basketball nets - "Get set for PE" Planning Scheme (£550) 	<ul style="list-style-type: none"> - For teachers to have access to a wide range of equipment that is appropriate for all learners to support engagement and progression in P.E lessons. - For teachers to have access to a planning tool that provides engaging, progressive lessons to build confidence in delivering high quality lessons. 	<p>Over the last academic year, resources have been purchased as required by teachers as they further develop their confidence in delivering high quality PE lessons. Marvin (TLR for Healthy Lifestyles) has had an overview on this and continues to audit resources into the next academic year (2022-23.)</p> <p>Early feedback from Teachers using the new planning scheme has been wholly positive. Once the scheme has been fully established in Autumn 2022 an impact report will be provided by the school PE co-ordinator in December 2022.</p>
Total:	£15.726.47		

From our premium of £16,520, we have spent £15.726.47 this year allowing a carry over of £793.00 to put towards our outdoor resources.

Plan for Sports Premium Spending 2022-23:

This year, Southgate School will receive a total of £16496 to allocate to the area of Sports Premium. In October 2022 we have received £6883 with the next instalment in April 2023 totalling £9613.

Over the course of the year, Key Stage 2 pupils will again have access to swimming lessons at Kirklees Leisure Centre. Additional staff will be implemented, where appropriate to ensure that all pupils are able to access these lessons in a safe and meaningful way. We are also in discussions with Kirklees Active Leisure to look at increasing the number of pupils across school who are able to meet the following National Curriculum KS2 requirements for swimming:

- Swim competently, confidently and proficiently over a distance of at least 25m.

- Use a range of strokes effectively, for example, front crawl, back stroke and breast stroke.
- Perform a safe, self rescue in different water based situations.

Our whole school enrichment offer will be further developed to allow pupils across school a wider choice of engaging, physical activities. All pupils in Years 9-11 will continue to make a choice of activity as well as regular feedback from pupils on new activities they would like to access. Pennine Sports Partnership will continue to have a significant role in our school enrichment offer, with a particular focus in 2022-23 on the continued development of new and less experienced teachers. Other external providers we are looking to collaborate with include Huddersfield Giants Rugby Club as well as re-establishing our links with Huddersfield Town. The wider choice of activities will continue to promote pupils' engagement, increase the number of pupils across school engaging in physical activity and receive positive pupil voice.

We will continue to focus on the development of staff practice in P.E through regular audits and teacher feedback. New or less confident teaching staff will receive strategic support from Pennine Sports Partnership to develop confidence and skillset when teaching PE. This will ensure that all pupils receive a thorough, well balanced P.E offer, allowing them to develop a wider range of skills and further promote engagement in lessons.

With the recent introduction of the teaching scheme "Get set 4 P.E" a thorough audit of resources will take place in the Autumn term which will inform us of specific resources that should be purchased in order for the scheme to be delivered accurately and effectively.

Finally, in 2022-23 we aim for our pupils to engage in accessible sporting competitions within the local community. Funding will be put in place for this to be staffed appropriately and resources such as transport put in place.
