

Meeting date: 17.10. 23

Who was there: See regis

## We talked about:

### Welcome.

We had Sarah from the school kitchen today who was able to answer the questions asked last time in person.

The Big Ambition – we watched a short video from the Childrens Commisionner and the survey she would like children to complete for the government – so they can have their say.

Some reps would like to complete this next time.

**Kaleb had the idea of a ‘farm’ in school – to grow our own vegetables. Lots of pupils agreed this was a great idea.**

**Reps thought keeping the school tidy was**

**important and were encouraged to make posters to put up around school.**
