

This half terms key texts are:

- The Last Stop on Market Street
- Dim Sum for Everyone!
- This is the way we go to school

My Communication

This half term, we will focus on developing our reading and writing skills by using symbols to build sentences and adding descriptive words to extend them. Additionally, we will participate in regular phonics sessions to enhance our reading abilities.

My Health

In PE we will be following instruction and exploring different ways of moving through story telling! In cooking we will be exploring different bread recipes and learning new skills such as kneading!

My Problem Solving

In My Problem Solving, we will continue to develop our addition and subtraction skills while also exploring grouping numbers into equal sets. Additionally, we will be learning about time, patterns, and different methods of measurement through engaging, hands-on activities.

Where am I from?

Key dates:

2nd May National Space day

10th May World Fair Trade Day

15th May International day of Families

21st May National Numeracy Day

Myself and Others

Our theme for Myself and Others we are exploring friendships and conflicts and learning about what is a secret and what does that mean. In SRE we will be focussing on understand the law, racism, discrimination and sexism.

My Imagination

In music we will be exploring music from around the world and different instruments that are used to make music. In Art we will be exploring lines and colours and equipment used to make different lines and shapes.

Using Technology

We are going to be learning about online safety and developing an awareness of keeping ourselves safe online. We will also be learning about personal information and what information is safe to share and what isn't.

My World

We are going to explore different countries around the world and compare them to the UK. We will also be exploring changes in our lives and how places and people familiar to us have changed over time.

My Independence

This term we will be continuing to develop our independence skills with our everyday routine e.g. washing hands, doing zips, putting shoes on. We will also be developing our understanding of dangers in the classroom and around school and how to keep ourselves safe.

P4C

We will be develop an understanding of danger beyond school, & practise strategies to keep safe, with support. We will also continue to identify likes and dislikes.
