

This half terms key texts are:

- What's in the Witch's Kitchen?
- Wild Symphony
- 10 Little Pumpkins

My Communication

This half term, we will focus on developing our reading and writing skills by using symbols to build sentences and adding descriptive words to extend them. Additionally, we will participate in regular phonics sessions to enhance our reading abilities.

My Health

In PE we will be following instruction and exploring different ways of moving our bodies through dance and copying!

In cooking we will be exploring different what happens when you add liquid to different material, along with exploring these using our 5 senses.

My Problem Solving

In My Problem Solving, we will develop our numeral skills while also exploring each way to represent these.. Additionally, we will be learning about shapes and patterns through engaging, hands-on activities.

Key dates:

2nd May National Space day
10th May World Fair Trade Day
15th May International day of Families
21st May National Numeracy Day

Myself and Others

Our theme for Myself and Others we are exploring friendships and conflicts and learning about what is a secret and what does that mean. In SRE we will be focussing on naming and using our different body parts.

My Imagination

In music we will be exploring different instruments that are used to make music, including body percussion.

In Art we will be exploring colours and patterns, through the use of different tools and prints.

Music

is

Magic

Using Technology

This term is all about making music using technology. Pupils will explore different ways through both the iPad and unplugged technology to create their own sounds and music.

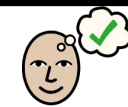

My World

In My World, we are beginning to look at our own personal growth timelines, and begin to compare what we looked like as babies to what we look like now.

My Independence

This term we will be continuing to develop our independence skills with our everyday routine e.g. washing hands, doing zips, putting shoes on. We will also be developing our understanding of dangers in the classroom and around school and how to keep ourselves safe.

P4C

We will be continuing to explore making an independent choice out of 2-4 objects/items. We will also continue to identify likes and dislikes.
